E- Processing fee through IPG / RTGS mode along with bid.
(ii) The bidder will also have to deposit prescribed EMD through IPG / RTGS mode only.
10. The bidder shall quote in figures as well as words. In case of any discrepancy between numerical digits and words, the words shall prevail.
11. The bidders shall provide complete information at the time of submission of bid. However, if the bidders are asked to furnish any clarification / confirmation, they shall furnish the same within specified time failing which the bid shall be finalized / decided on the basis of available information. If disqualification as a result of non-submission / delay in furnishing the desired Information / documents happen then PGL in no way shall be held responsible.
- 12.. Each page of the tender documents should be stamped and signed by the person or persons submitting the tender in token of his/ their having acquainted himself/ themselves and accepted the entire tender documents including various conditions of contract. Any bid with any of the documents not so signed is liable to be rejected at the discretion of Punjab Genco Limited.
- 13 No reimbursement of cost of any type or on any account will be paid to persons or entities submitting their bid.
- 14 The successful tenderers shall have to comply with provision of contract labour (Regulation & Abolition) Act, 170 and rules appended there under if, applicable to him as applicable.
- 15 The tender document can be downloaded from web site <http://eproc.punjab.gov.in> Details of this notification can also be seen in tender document exhibited on PEDDA/PGL website www.peda.gov.in but bids are to be submitted online in electronic format only on website <http://eproc.punjab.gov.in>
- 16 The complete bid documents and formats shall be uploaded on <http://eproc.punjab.gov.in> in time as per the proforma provided with the tender document.
- 17 The bidders who are interested in bidding can download tender documents from <http://eproc.punjab.gov.in> up to the stipulated date & time free of cost.
- 18 Bidders who wish to participate in this tender document will have to register on <http://eproc.punjab.gov.in> (bidders already registered on <http://eproc.punjab.gov.in>, need not to register again for this tender). To participate in online bids, Bidders will

have to procure Class 3 Digital Signature Certificate as per requirement under Information Technology Act - 2000 using which they can sign their electronic bids and also get USER ID and PASSWORD.

For any clarification / query regarding bid-document or its clauses, bidders can contact PGL at 0172-2648004, 9876051885,9815602615, 8699007080, 8558870510 during office hours on working days for any technical help regarding e-tendering process flow, please contact E-tendering helpdesk at 0172-2791326/2791226 during office hours on working days

REMOVAL AND DISPOSAL OF SOIL/SILT FROM POWER CHANNELS AND IN FRONT OF MAIN CANAL GATES OF 8NOs MINI HYDRO PROJECTS NAMELY MHP- CHUPKI, NARANGWAL, TUGAL & DALLA ON ABOHAR BRANCH CANAL, MHP-BOWANI, KHATRA, JAGERA AND KANGANWAL ON BATHINDA BRANCH CANAL

SECTION-1 INTRODUCTION

Punjab Energy Development Agency (PEDA), the State nodal agency is responsible for promotion and development of renewable energy sources including Mini Hydropower Plants in the state of Punjab. By virtue of its topography, the Punjab State is having extensive network of Irrigation canals encountered by many falls in their alignment. These canal falls are ultra-low heads and are being exploited for power generation. Out of these potential canal falls, eight falls have already been developed by PEDA, four each on Abohar and Bathinda branch canals. These eight numbers Mini Hydropower Plants are owned and operated by Punjab Genco Ltd. (PGL), a company owned by PEDA, since their commissioning about 20 years ago.

M/s PGL intends to undertake these existing Eight Mini Hydropower Plants for removal and disposal of Soil/Silt from power channels, as power generation from these MHP has is being affected due to accumulation of soil/silt.

The estimated quantities of soil/silt at these powerhouses surveyed by PGL, is as under :

S.No.	Name of MHP site	Quantity of Soil/Silt Deposition as per report (in cubic meters)
A	Abohar Branch Canal	
1	Chupki	138.662
2	Tugal	354.145
3	Dalla	638.806
	Total (A)	1131.613
B	Bathinda Branch Canal	
4	Bowani	5054.885
5	Khatra	1375.172
6	Jagera	1628.484
7	Kanganwal	591.772
	Total (B)	8650.313
	G. Total (A+B)	9781.926 cum

*At MHP Narangwal, no silt deposition was seen. However at the time of canal closure if soil deposit is observed in the intake or in front of main canal gates, it will be measured and taken into account.

SECTION 2 – BRIEF SCOPE OF WORK

“Removal and Disposal of Soil/Silt from Power Channels and in front of Main Canal Gates of 8 No.s Mini Hydro Projects” namely MHP- Chupki, Narangwal, Tugal and Dalla on Abohar Branch Canal, MHP- Bowani, Khatra, Jagera And Kanganwal

SCOPE

Removal and disposal of Soil/Silt accumulated in the Power Channels and in front of Main Canal Gates of 8 No's MHP's on Abohar Branch Canal & Bathinda Branch Canal. The Soil/Silt removed from the Power Channels will be Disposed off and stacked properly at suitable Locations as directed by Engineer In-charge.

SPECIAL CONDITIONS

1. As the soil/silt is to be removed from the Power Channels of the Power Houses, the Contractor shall ensure the safety of existing structures.
2. If any Structure/Work is damaged while executing the work the same will be repaired by the contractor at his own Cost.
3. If any temporary Ramp or Path is prepared by the Contractor for removal of Soil/Silt, the same will be removed by the Contractor to the satisfaction of PGL and WRD at Contractor's Cost.
4. The safety of Canal Banks, Canal Bed/Power Channel and Power House are of utmost importance. The Contractor shall ensure that no damage occurs to these structures.
5. The Contractor shall be fully responsible for any damage to the structures mentioned at Serial No 4, above and will repair the same to the satisfaction of PGL, at his own Cost.
6. While executing and after completion of the Work the Public Utilities, Regulation of Canals and Operation of Power Houses should not be affected.
7. The Payment will be made to the Contractor for the actual work done and measured at the site.
8. The Contractor shall have to made arrangement to constantly pump out the water collected in pits due to seepage water from canal banks, rain water, ground water, springs etc. and maintain dry working conditions at no extra cost to the PGL.
9. Work will be executed using Hydraulic Excavator and Hydraulic Tractor Trolley, including cutting and loading trolley and transporting to the required locations as directed by Engineers In charge with all Lifts and Leads.
10. If any approval from Mining Department including requisite tests of Soil/Silt are required, that will be obtained by the contractor before start of the work and the Official Fees/Charges, if any paid will be reimbursed by PGL to the contractor on production of Official Receipt.

Technical Specification of Civil Works:

The specifications of civil works to be executed must confirm to PWD/CPWD specifications in accordance with the all relevant codes / bye-laws prevalent indicating civil works specification as well as its execution.

SECTION 3 – QUALIFICATION CRITERIA

1.0 General

- 1.1 Punjab Genco Limited, a wholly owned subsidiary of PEDDA, Punjab, herein referred to as “PGL”, responsible for operation & maintenance of Mini Hydro Power Plant intends to remove and dispose off silt from power channels and in front of Main Canal Gates of MHP- Chupki, Narangwal, Tugal and Dalla on Abohar Branch Canal & MHP- Bowani, Khatra, Jagera and Kanganwal on Bathinda Branch Canal.
- 1.2 A Bidder shall be an Indian private entity or a government-owned entity - or any combination of such entities under an existing agreement in the form of a joint venture.
- 1.3 Qualification for this tender is open to the reputed civil contractors/companies and formed Joint Ventures (herein referred to as JV). In case of JV, the Bidder must enclose the copy of JV agreement along with the Bid.

Note:

Civil Contractor: The Bidder must be a civil contractor who must have executed civil works for any small/Mini Hydro Power Plant or any other civil building work, Canal works, Earthworks, Bridge Work or any other work related to Civil Engineering Construction etc. either individually by a sole Bidder or by any JV partner .

- 1.4 All information should be submitted in English.
- 1.5 Failure to provide information which is essential to evaluate the Bidder's qualifications may result in disqualification of the Bidder.

2.0 Qualification Criteria

- 2.1 The qualification of the Bidder will be subjected to their fulfillment of the Qualification Criteria set hereunder substantiated by authentic relevant information and details in the prescribed formats with this section. Additional information in support of their claim of achievement may be furnished in any form of their device and design.
- 2.2 Bidder (Lead partner or the other partner in case of JV Bidder) should have proven experience as civil contractors, in execution of contracts of similar type, magnitude and nature.
- 2.3 The qualification will be based on the Bidder meeting criteria set forth hereunder as the minimum.

3.0 Criteria

3.1 Financial Capacity

- a) **Turnover:** In any one year of the last three (3) years ending 31st March, 2020, the annual turnover should be at least INR 50.00 lakhs (Indian Rupees Fifty Lakhs Only) either individually by a sole Bidder or collectively by JV partners.

- b) Bidder should submit ITR, Annual Report (Balance Sheet and Profit & Loss account) for the period as specified in Clause 3.1.a.
- c) Bidder, in case of a company, should be registered under Companies Act 2013.

d) Profitability

The Bidder should have earned profits (before taxes) in the last three (3) preceding years (preceding years shall be counted from latest Balance Sheet of Financial Year, as per Clause 3.1.a, submitted by the Bidder). Bidder is required to submit the relevant documents establishing the requirements.

3.2 Joint Venture Bidder

In case of JV Bidders, JV partners must comply with the following minimum qualifying requirements:

- i. The JV formed should be limited to two partners including the Lead Partner.
- ii. The share of Lead Partner must be more than 50%
- iii. The JV arrangement shall clearly indicate who shall be the Lead partner.
- iv. For the purpose of establishing the financial soundness of the JV, the collective financial position as specified earlier herein above will be reckoned and information in this regard shall be furnished individually and collectively

SECTION 3 - BIDDING FORMS/Annexures

This Section contains the forms/Annexures which are to be completed by the Bidder and submitted as part of his Bid.

Form 1 - Letter of Bid (Declaration Form)

Date:.....
Invitation for Bid No.:

To:
Punjab Genco Ltd
Chandigarh
Punjab

We, the undersigned, declare that:

- i. We have examined and have no reservations to the Bidding Documents.
- ii. We have visited the site and made ourselves conversant with the present status of all the plants and site conditions;
- iii. We offer to execute in conformity with the Bidding Documents for removal and disposal of soil/silt from power channels and in frony of Main Canal Gates of 8 nos. MHP'S on Abohar and Bathinda Branch Canals.
- iv. Our Bid, consisting of the 'Techno- Commercial Bid and the Financial Bid', shall be valid for a period of 90 days from the date fixed for the Opening of the Technical Bid in accordance with the Bidding Documents, and it shall remain binding upon us and may be accepted at any time before the expiration of that period.

Completion Period :

It is pertinent to mention here that there is possibility of closure of Sirhind Canal from 11.04.2021 to 24.04.2021 as per intimation from Executive Engineer Faridkot Canal Division, Faridkot. He verbally confirmed that notification is likely from 11.04.2021 to 24.04.2021 to be done by the Government for closure of Sirhind Canal for construction of escape Regulator cum VR Bridge at Sirhind Canal RD 145700/R outfalling at RD 5400 of Neelon Drain to supply 200 cusec water in Budha Nallah. This work is being done by WRD and they have intimated via email dated 19.03.2021 that owing to closure of Sirhind Canal , Water in its distributary Canals namely Abohar Branch, Bathinda Branch, will remain zero, as such any work required to be done in these canals can be planned.

PGL has planned to remove/dispose off soil/silt from 8No's Power Houses as mentioned in the Bid Document during this period of canal closure probably about 14 days or as per actual notification by WRD. It is made clear that time period is very short and work is required to be completed in this notified canal closure period of about 14 days which will be as per dates actually notified by WRD and no time extension will be allowed as regulation of water is in WRD control.

In case, after award of the work, the date of canal closure is changed by WRD, the validity of Work Order issued, will stand enhanced automatically and contractor is bound to execute the work as and when the canal closure is notified by WRD. If such notification takes more than 9 months time, then work order will stand automatically cancelled without any cost to PGL and EMD will be refunded back without any interest payable on it.

Payment Terms: Subject to any deductions from the contract price as per Contract, the contractor shall be entitled to receive the contract price in the following manner.

1. The contractor shall raise bills to PGL as per the BOQ for the works executed and PGL shall release 95 % of the due payment after verification/checking the bills. & balance 5% shall be retained by PGL as security amount.
2. The retention/security amount shall be released after 1 Month from the successful completion of works of each power house.

All payments shall be released directly by the PGL to the contractor through direct bank transfer except as otherwise provided in the contract.

Penalty:

As is the work is to be done in a time bound manner in the notified canal closure any delay in completion of work is not tolerable. In case of delay in completion of work earnest money deposited by the bidder which is converted into performance guarantee will be forfeited.

Arbitration:

For any dispute arising with regard to the work, Chandigarh will be the Jurisdiction. 1st Effort would be to settle the dispute amicably. If required, the dispute can be referred to the sole arbitrator under the arbitration act and in this case Managing Director PGL, will be the sole arbitrator and its decision will be binding on both the parties.

Removal and Disposal of Soil/Silt from Power Channels and in front of main canal gates of 8 No.s MiniHydro Project at Chupki, Narangwal, Tugal and Dalla on Abohar Branch Canal and MHP-Bowani, Khatra, Jagera and Kanganwal on Bathinda Branch Canal.
